Parish Notes.

Writing this in Malta, I am not quite sure that it ought to be headed "Parish Notes," as I certainly will not have very much to say about Bramham this month, but in order to justify my title, I would like to thank all who helped in the Variety Show in the Vicarge Garden on July 5th, and especially Mr. Arthur Tindall for organising it all. It was most unfortunate that it should have been made impossible the first night by the weather, and also that the second night should have given us such a very poor sample. It was not very inviting and there was only a comparatively small number who braved the wind and the prospect of rain. Still, every little helps, and the School Fund and Church Fund both got something. The total profits came to just under £3.

I had hoped to announce in last Magazine the winning of a County Minor Scholarship by Dorothy Dighton. Peter Seed, who received a large part of his education at Bramham School, also got one, and we congratulate them both and also the Staff on this honour to the School.

We hope to arrange for the Organ Recital, which was mentioned in last month's Magazine, to take place in the Autumn.

On Sunday, August 11th, the Rev. J. V. Roome, Vicar of Elsecar, near Barnsley, will take the Services and preach on behalf of the National Society, to which we give our Whitsuntide collection.

I duly arrived in Malta on Sunday, July 14th at 8-30 p.m., and it was a very pleasant feeling to be back, the only fly in the ointment being the fact that the Southern Railway omitted to send my luggage, which I had carefully registered at Victoria, in time to catch my boat at Marseilles. The boat was due to leave Marseilles at 4 a.m. on July 13th, and, at about 10 p.m. the night before, the agent of Messrs. Thos. Cook, Ltd. arrived on board to tell me that they had traced it and it was due to arrive in Marseilles at 9 a.m. the following morning, which was not much good to me. There is only a boat about once a fortnight and I had the prospect of landing in Malta with more or less than the proverbial toothbrush and pyjamas. Fortunately my friend at the Cathedral is just the same size
